## The support and priation is hereby made for the support and maintenance of said department, and for the maintenance of said department, and for the MONDAY, APRIL 2, 1877.

Agricultural Bureau. The following bill has been approved by the

Governor and is now a law: 1. Be it enacted by the General Assembly of the State of Virginia, That the Governor of this State is hereby authorized and required to establish a Department of Agriculture for the

State of Virginia.

2. That said department shall be under the control and management of one officer, who shall be known as the commissioner of agriculture He shall be appointed by the Governor, by and with the advice and consent of the Senate. Said commissioner shall be allowed one clerk, to be chosen by himself, to assist the commissioner in the discharge of the clerical duties of his office. The office of said commissioner shall be at the capitol of the State, and an office and furniture necessary for the transaction of the duties of his office shall be fur-

3. That the salary of said commissioner shall be one thousand five hundred dollars per annum, and the salary of his clerk shall be six hundred dollers per annum.

4. That the duties of said commissioner

First. He shall prepare, under his own direc-tion, a hand-book describing the geological formation of the various counties of this State, with information as to the general adaptation of the soil of said counties for the various products; and for the purpose of giving a general and careful estimate of the capacity and character of the soil of the counties of this State, to obtain a correct analysis of the same, he shall be turnished by the Executive of the State, from the State Treasury, with a sum of not more than one thousand dollars, with which to purchase a sufficient chemical apparatus to use in connection with said office, for the purpose of analyzing the soils and minerals of this State, and guanos and fertilizers, as he may deem of importance. Information upon the above subjects, and others of interest to these who till the soil of this State, shall be given, in circular or panighlet form, to the agricultural associations or clubs of the various counties in this State, for distribution, at such times as the commissioner may be prepared to do so. his charge the analysis of fertilizers sold to be used for agricultural purposes in this state. A

Second. Said commissioner shall have under In the city of Alexandria, Va, the following property, in said city:

1. THE PROPERTY long known as WA-TERS & FIMMERMAN'S LUMBER YARD, lying on both side, of Cameron street and to the cast of Lee streets extending from the southest corner of said streets, with a width of Alexandria, Va, the following brown as WA-TERS & FIMMERMAN'S LUMBER YARD, lying on both side, of Cameron street and to the same of property, in said city:

Having had during the last twenty years of my life to attend to Racing Stock, and Laving had so much trouble with them with Colic, Grubbs, &c., gave me a great deal of trouble.

Having heard of your Regulator as a cure for the southeast corner of said streets, with a width of Alexandria, Va, if he shall find the same of ne the above diseases, I concluded to try it. After the parties interested, and give them a And if it shall still be found that the brand is of no practical value, the sale of the same for use in this State as a fertilizer shall be prohibited. Any person violating the provision of this act by selling any fertilizer to be used in ple to the said commissioner, under rules prescribed by him, shall be fined not less than \$100 nor more than \$1,000 for each offence. One half of such fine shall be paid to the informer, and the other half into the treasury of the State; provided, however, that agricultural lime, agricultural salt, ground plaster, wood ashes, and German potash, shall not be subject to the provisions of this act; and provided further, that no fee shall be charged by the commissioner for the analysis required under this act, but each analysis shall be free of charge.

Third, Said commissioner shall have under his especial charge the diseases of the grains, fruits, and other crops of this State, and he shall, at various times, report upon any remedy for said diseases or any useful information upon said subjects; and he shall employ, in any manner that he may deem fit, a chemist to assist him in his researches, and a geologist to assist him in preparing a geological survey of each county of the State, and other business that he may deem of importance to advance the pur pose for which this department is created.

Fourth. The said commisioner shall have in charge the mining and manufacturing interests of the State, and shall collect such statistical and other information as may be deemed useful in regard to them, and may tend in any way to foster and encourage them. He shall es pecially establish in or convenient to his office in the city of Richmond, a cabinet, in which it Physicians' Prescriptions accurately com-pounded DAY or NIGHT at No. 79. Night belt at shall be his duty to deposit such specimens of rock, coal, ores, lead, metals, and other mineral substances or useful matters discovered and examined, and of models of inventions, and other useful products of manufacture as may be proper and necessary to form as complete a cabinet as may be in his power, of the specimens of geology, mineralogy, manufacture, and other useful matters relating to the industrial pursuits of the State. Such specimens shall be labelled and arranged in proper order for public inspection, and the names of the counties from which they were collected, or the places where manufactured, to be designated. He shall also keep in his effice or in said cabi net, conveniently arranged and open to the inspection of the public, all maps, surveys, information, and statistics gathered by him in the discharge of his duties under this act. Fifth, Said commissioner shall examine into

any question that may be of interest to the horticulturists and fruit growers of this State, and in all endeavors that he may deem proper towards encouraging these inportant industries. Sixth. Said commissioner shall report, as hereinbefore set forth, upon any matter of in terest in connection with the dairy that he may deem of interest to the people of this State. Seventh. Said commissioner shall report up on the culture of wool, the utility and profit of sheep raising, and all other information upon this important subject. Said commissioner

shall have under his especial charge the study of the various insects that are injurious to the crops, plants, and fruits of this State, their habits and prepagation, and the proper mode for their destruction. He shall also give his attention to the subject of irrigation, and what portion of the State can be most benefited thereby. He shall also give his attention to the subject of fencing.
Eightle, It shall be the daty of the commis

sioner to provide for the proper and careful distribution of any seeds that the Government of the United States may desire to introduce into Virginia, and shall make arrangements for the importation of seeds that he may deem of value to this State, and for the proper, careful, and judicious distribution of the same; also for the exchange of seeds with adjoining States or torsign countries for seeds from this States, and their distribution, in a proper manner, shall be entirely under his supervision and control. Ninth, Said commissioner may report upon any matter or subject he may doem of interest o the agriculture of this State.

5. That the commissioner shall be empower-for sale cheap by mh 10 R. W. AVERY 226 King st. ed to make all necessary rules and regulations | mh 10

ing out the design, for which this department payment of employees, that it will be necessary to employ to properly carry out the intentions of this act, \$5,000 per annum. Said amount shall be especially appropriated from the treasury for said purpose, and shall be counted as annual expense of the State; and said amount shall be drawn from the State treasury by the commissioner, under rules to be established for

said commissioner by the Governor. 7. That the office of said commissioner shall continue for two years from date of his appointment, and he shall perform the duties of the same for said length of time unless removed in the manner prescribed by law for the removal of officers of the State Government. 8. That the commissioner appointed under

this act shall, before entering upon his duties, execute a bond, to the satisfaction of the Governor, in the sum of ten thousand dollars, for the faithful performance of the duties of his 9. All acts and parts of acts in conflict with
